

# CLEAN STAINLESS STEEL

Eco-friendly cleaner for day-to-day cleaning of all steel surfaces, such as cook tops, appliances, sinks and work surfaces.

**CLEAN STAINLESS STEEL** is a water-based detergent made with fast biodegrading, plant-based materials that are Ecolabel recognised or certified. This is a product specifically for daily cleaning of all steel surfaces, indoors and outdoors, such as: extraction hoods, cook tops, sinks, domestic appliances, trolleys work tops and any other steel surface, especially 320 and scotchbrite finishes.

**CLEAN CLEAN STAINLESS STEEL** is a ready-to-use product, applied quickly and easily, thanks to the practical spray dispenser and it acts effectively on all types of dirt, such as oil, grease, build-up, stains, food residues, and stubborn dirt, etc., without damaging the steel surfaces.

*Like all products in the Greentech line, CLEAN STAINLESS STEEL is eco-friendly and 100% water based. It is made using biodegradable ingredients, will not harm health or the environment, and it comes in recyclable, biodegradable plastic.*

## CHARACTERISTICS AND BENEFITS

- ✓ 100% eco-friendly product
