

DEEP DEGREASER

Alkaline degeasing concentrated cleaner for deep cleaning of stubborn and foot-traffic dirt

DEEP DEGREASER is a concentrated degreasing cleaner extremely effective for deep cleaning of stubborn and foot-traffic dirt from all the surfaces. Thank to its extractive action the product melts and removes even the dirt caught by the micro-porosity of the surface.

DEEP DEGREASER is extremely versatile, the application is simple and fast, it is strong against dirt but gentle on the surfaces, so it can be used even on the most sensitive surfaces like polished marbles or polished ceramic or porcelain tiles.

DEEP DEGREASER can be used with traditional cleaning tools like brush and mops, or with mechanical tools like single-disc machines or floor-scrubbers

CHARACTERISTICS AND BENEFITS

- ✓ A versatile product, suitable for use on different types of material
- ✓ Ready to use
- ✓ Top-level cleaning action
- ✓ Dissolves and removes dirt, deep down.
- ✓ Gentle on materials and grout widths
- ✓ Efficiently removes surface patina
- ✓ Extremely effective on foot traffic dirt

USES

This product **can be used** on both indoor and outdoor surfaces.
Suitable for use on: all materials

COVERAGE

10/15 m²/l

APPLICATION EQUIPMENT

Cloth, mop, single disc machine

APPLICATION STEPS

Preparing and cleaning the surface

1. Before proceeding to wash the surface, it is advisable to clean away any surface residues, such as dust, debris and coarse dirt, using a broom or a vacuum cleaner.
2. Wait for the surface to be treated to be completely dry.
3. Any adjacent surfaces not being treated with the product must be protected.
4. Apply the product to surfaces with a temperature of between +5 and +40°C

Cleaners - DEEP DEGREASER - Alkaline degreasing concentrated cleaner for deep cleaning of stubborn and foot-traffic dirt

Application

Before applying the product to the whole surface, always test a small, unexposed area or unused piece to check its suitability for use.

5. Dilute the product in clean water. Pour 1 part product into 2 or 3 parts water, according to the amount and the stubbornness of residues to be removed. When used to remove surface patina, use the product undiluted. To remove extremely stubborn dirt the product can be used undiluted.

6. Begin to work the product over the surface, rubbing the surface with the tool of choice.

7. Leave the product to act for 10 - 20 minutes, continuing to wipe over the surface with your tool of choice to boost and aid the cleansing action of the product.

8. After working the product, remove all residues and rinse the whole floor with plenty of water. If the result is only partially achieved, repeat the application process following the same steps and if necessary, slightly increase the concentration of the product in water.

Drying time

9. After carefully removing any residues and rinsing the surface with water, no further action or waiting time is necessary.

Opening to floor traffic

10. After carefully removing any residues and rinsing the surface with water, the floor can be opened to foot traffic.

COMPLEMENTARY CLEANING AND MAINTENANCE PRODUCTS

After treating with DEEP DEGREASER, keep the surface clean with the most suitable Faber product, such as NEUTRAL CLEANER or FLOOR CLEANER, to be selected according to the characteristics of the surface.

INSTRUCTIONS AND GUIDELINES

- Never apply the product to a wet surface
- Do not apply the product to overly heated surfaces
- When applying to recently laid or grouted surfaces, wait for the adhesive or grout to cure completely.
- Never use in conjunction with other chemical products.
- Before applying the product to the whole surface, it is advisable to test a small, unexposed area or unused piece to check its suitability for use.

EQUIPMENT CLEANING

At the end of application, the equipment used can be washed using water.

SAFETY

When applying the product, always use suitable personal protective equipment and follow the instructions on the product safety data sheet with care.

Cleaners - DEEP DEGREASER - Alkaline degeasing concentrated cleaner for deep cleaning of stubborn and foot-traffic dirt
